Enterprise Cloud & Hardware Return & Refund Policy

Effective Date: January 1, 2024 | **Document Version:** 3.2 | **Ref:** POL-REF-2024

Section 1: General Policy Overview

1.1 Standard Return Window: Customers are eligible for product returns and refund requests within thirty (30) calendar days from the confirmed date of delivery. Requests submitted after 30 days are ineligible for standard refunds and will be routed to the warranty replacement program.

1.2 Proof of Purchase: A valid order number (e.g., ORD-1024 or 1024) and proof of purchase are required for all return processing.

Section 2: Restocking Fees & Condition Exceptions

2.1 Standard Restocking Fee: All returned hardware items in good working condition are subject to a standard fifteen percent (15%) restocking fee deducted from the gross purchase amount.

2.2 Defective or Damaged Goods (DOA): If an item arrives defective, damaged in transit, or fails within thirty (30) days of delivery, the 15% restocking fee is strictly waived. The customer is entitled to a one hundred percent (100%) full refund of the total purchase amount, including all taxes.

2.3 Enterprise Software Licenses: Digital enterprise software licenses are non-refundable once activated unless accompanied by an SLA breach verification.

2.4 Return Shipping: Prepaid return shipping labels are provided free of charge for defective items. Standard voluntary returns incur customer-paid return freight.

Section 3: Refund Calculation Examples

Example A (Defective Item): Total Order $2,499.00 -> Restocking Fee 0% -> Full Refund Amount: $2,499.00.
Example B (Voluntary Return): Total Order $1,000.00 -> Restocking Fee 15% ($150.00) -> Net Refund Amount: $850.00.
